

Governmental Affairs Bill Tracking & Reporting (2022 Session)

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
Alaska Starts 2021 → 5/15/22	Access all bills: http://www.akleg.gov/basis/Home/BillsandLaws			
	HB 33	D	Provides for penalties for discharges of oil and other pollutants	In committee
	HB 37/ SB 100	D	Proposes a state income tax; allows certain deductions and exemptions for taxpayers	In committee; (SB 100 failed to move in favor of HB 37)
	HB 81	R	Adjusts Net Profit Share rate through royalty modification on Net Profit Share leases	Passed House
	HB 82	R	Would open a small portion of land in the southern Kenai Peninsula to non-surface leasing	In committee
✓	HB 349	R	Amends existing law regarding the establishment of oil and gas drilling units and patterns to better reflect the modern-day practice of horizontal drilling	Enacted 6/30/22; Eff. 90 days later
	HB 3005	D	Would amend oil and gas production tax law to provide for oil produced on and after January 1, 2022, and before January 1, 2024	In committee
	HB 3007	D	Would amend oil and gas production law regarding nonrefundable tax credits to adjust the amount of tax credit for a barrel of taxable oil to a lower dollar amount	In committee
✓	HJR 12	R	Urges the Biden administration to allow ANWR leasing	Approved by Gov 5/12/21; Eff date N/A
✓	HJR 34	R	Express the legislature's support of oil and gas leasing and development within the National Petroleum Reserve in Alaska	Enacted 4/20/22
	SB 62	R	Would allow leases for oil and gas exploration in a small portion of the Cook Inlet, adjacent to the current leasing program	In committee
	SB 107	D	Statutory amendments relating to the oil and gas production tax; relating to credits against the oil and gas production tax; relating to payments of the oil and gas production tax; relating to lease expenditures and adjustments to lease expenditures; and making public certain information related to the oil and gas production tax	In committee
Arizona Ends 6/25/22	Access all bills: https://apps.azleg.gov/BillStatus/BillOverview?SessionID=122			
X	HB 2829	D	Would ban hydraulic fracturing in the state	Died in session
X	SB 1430	D	Would ban hydraulic fracturing in the state	In committee
Arkansas Ends 4/15/22	Access all bills: https://www.arkleg.state.ar.us/			

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
California Starts 2021 → 8/31/22	Access all bills: http://leginfo.legislature.ca.gov/faces/billSearchClient.xhtml			
X	AB 25	R	Repeals ABC test for independent contractors and reverts back to more permissive <i>Borello</i> multi-factor test	Died in committee
	AB 209	D	Budget bill related climate change provisions including greenhouse gas emissions reduction incentives; offshore wind development; provides funding for renewable energy projects and carbon capture pilots eligible for federal match funding; and prohibits operating fossil fuel resources in the Water Resources Strategic Reserve except during extreme events	Passed both
	AB 345	D	Creates a statewide 2,500-foot buffer zone around oil wells	Passed Senate; in Assembly committee
✓	AB 896	D	Collection of unpaid idle well fees from an operator; establishing the timelines and criteria for determining if a well has been deserted, and locating or collecting any costs from the operator or responsible party for a well that has been deserted or ordered to undergo well integrity testing or to be plugged and abandoned by the supervisor	Enacted 10/8/21; Eff 1/1/22 if SB 84 is also enacted
	AB 1093	D	Provides for online notarial acts and registration as an online notary public	Passed first chamber
X	AB 1395	D	Would mandate the California Air Resources Board establish new climate goals to achieve 90% emission reductions by 2045, and effect housing construction, agriculture production, energy, transportation, and all manufacturing	Died in session
	AB 2257	D	Requires the States Lands Commission (SLC) to develop a cost study that measures the fiscal impact of a voluntary buy-out of any lease interests remaining, in actively producing state offshore oil and gas leases in state waters	Passed both
	AB 2447	D	Would prohibit the disposal of produced wastewater into unlined ponds and the construction of new unlined ponds	In committee
X	SB 25	D	Express intent for legislature to enact legislation related to regulation of well stimulation treatment projects	Died in committee
✓	SB 47	D	Expresses intent for legislature to enact legislation related to orphaned wells; offers no specifics	Enacted 9/23/21; Multiple eff dates
✓	SB 84	D	Amends provisions of existing law regarding orphan, idle and abandoned wells	Enacted 10/9/21; Eff 1/1/22
X	SB 260	D	Would require large private and public corporations to disclose and report their greenhouse gas emissions	Passed Senate; Died in Assembly
✓	SB 406	D	Makes numerous changes to existing oil and gas conservation law to enhance public transparency	Enacted 10/8/21;

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
				Multiple eff dates
X	SB 419	D	State regulator to develop a strategic plan related to oil and gas that incorporates protecting public health, safety, and environmental quality; required union employment for certain oil field work; Reintroduced 8/24/21 all oil and gas provisions removed; no longer relevant bill	Passed Senate; Pulled by sponsor
X	SB 467	D	Hydraulic fracturing ban and require a 2,500-foot buffer between drilling sites and schools, home and playgrounds	Died in cmte 4/13/21
	SB 905	D	Establishes a statewide carbon capture program	Passed both, to Gov
	SB 953	D	Would require the State Lands Commission to terminate all remaining oil and gas leases under its jurisdiction in tidelands and submerged lands within state waters by December 31, 2023	In committee
X	SB 1101	D	Would require the state Air Resources Board, in consultation with the Geologic Carbon Sequestration Group, which the bill would establish in the California Geological Survey, to establish a Carbon Capture, Utilization, and Storage Program for developing the commercial application of carbon capture, utilization, and storage technologies to reduce carbon dioxide emissions from new and existing facilities	Passed Senate; Died in Assembly
	SB 1137	D	Creates 3,200 foot well setbacks in newly established health protection zones	Passed both, to Gov
X	SB 1173	D	Would mandate that California's public pension funds stop investing in fossil fuel companies.	Died in session
	SB 1295	D	Regarding hazardous or deserted wells would amend expenditures by state agency	Passed both, to Gov.
	SB 1314	D	Prohibits an operator from injecting a concentrated carbon dioxide fluid produced by a carbon dioxide capture project or a carbon dioxide capture and sequestration project into a Class II injection well for purposes of enhanced oil recovery, including the facilitation of enhanced oil recovery from another well	Passed both
	SB 1319	R	Would prohibit the import of crude oil into California if the source of the oil is a foreign nation with demonstrated human rights abuses, or a foreign nation with environmental standards that are lower than those in California. Second, the bill would require the Geologic Energy Management Division to report on its website the amount of particulate matter released into the air from tanker ship emissions from oil imported into the state	Passed Senate
Colorado Ends 5/7/22	Access all bills: https://leg.colorado.gov/bills			
✓	HB22-1361	D	Act requires that the Office of State Auditor conduct certain audits and specified reporting of oil and gas operations in the state	Enacted 6/8/22; Eff. 7/1/22
✓	HB22-1391	D	Changes the calculation of the ad valorem credit allowed against the state severance tax on oil and gas	Enacted 6/7/22; Eff. 90 days

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
				after session adjournment
✓	SB22-26	D	Amends oil and gas operator property tax procedures concerning an oil and gas operator's sole ability to review and protest property tax	Enacted 3/30/22; Eff. immediately
	SB22-138	D	Provisions to reduce greenhouse gas emissions in Colorado	Passed Senate
✓	SB22-161	D	Updates and modifies laws pertaining to the payment of wages, employee misclassification, and workplace safety, and the enforcement procedures and remedies for violations of those laws; also increases employer penalties for failure to provide certain information or denying access to premises for investigative purposes	Enacted 6/3/22; Multiple eff. dates
✓	SB22-198	D	To provide for the mitigation of orphaned wells and establishing mitigation fees to be paid by operators	Enacted 6/2/22; Eff. 7/1/22
	SJR22-8	R	Supporting Colorado energy production	In committee
Florida Ends 3/11/22	Access all bills: https://www.myfloridahouse.gov/Sections/Bills/bills.aspx			
Georgia Starts 2021 → 3/31/22	Access all bills: https://www.legis.ga.gov/legislation/all			
	HB 334	R	Provides for remote online notaries public and notarial acts and related procedures	Senate tabled
Idaho Ends 3/20/22	Access all bills: https://legislature.idaho.gov/sessioninfo/			
X	SB 1251	R	This legislation clarifies existing authority for Idaho's State Board of Land Commissioners (Land Board) to receive lands with pre-existing encumbrances in land exchanges. It further clarifies responsibilities of the Land Board when contemplating land exchanges with the federal government, and it provides for continuation of existing land uses subsequent to exchanges as approved by the Land Board	Died in committee
Illinois Starts 2021 → 1/11/23	Access all bills: http://www.ilga.gov/legislation/default.asp			
	HB 2870	D	Expands definitions related to forms of recorded instruments and provides for fees related to non-standard documents	Passed House
	HB 4845	D	Provides that a physical or electronic image of the recorder's stamp satisfies the signature requirement for recorded instruments prior to, on, and after the effective date of this Act	Passed House

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	HB 4989	D	Various amendments to the Illinois Oil and Gas Act regarding temporary abandonment status among other provisions	In committee
	HB 5202	D	No land or personal property of any landowner shall be taken or infringed upon by eminent domain, easement, or other mechanism for the installation of any infrastructure for the distribution of natural gas that was approved without the express and written consent of the landowner or property owner	In committee
	HB 5228	D	When calculating the taxpayer's base income, the taxpayer's federal adjusted gross income shall be modified to exclude the portion of the income or loss received from a trade or business conducted within and without Illinois or from a pass-through entity conducting business within and without Illinois that is not derived from or connected with Illinois sources	In committee
	HR 739	R	Urging President Biden to set policies supporting domestic oil and gas production, exploration, and development	In committee
	SB 83	R	Creates the site value tax, but oil and gas and mineral rights not included in assessed value	In committee
✓	SB 1845	D	Amends the Property Tax Code to provide that the owner of a certificate of purchase must file with the county clerk the names and addresses of the owners of the property and those persons entitled to service of notice at their last known addresses and the clerk shall mail notice within 30 days from the date of the filing of addresses with the clerk	Enacted 8/20/21; Eff 1/1/22
	SB 97	D	Provides for remote, electronic notarial acts and related application and examination requirements	In committee
✓	SB 2408	D	Energy Transition Act. Pathway toward power sector decarbonization by 2045, creates equitable clean energy workforce development pathways and expands state commitments to energy efficiency, renewable energy and electric vehicles	Enacted 9/15/21; Multiple eff dates
✓	SB 2664	D	Amends notary law to provide for electronic notarization and electronic notaries public	Enacted 7/23/21; Eff 7/1/22
Indiana Ends 3/11/22				
Access all bills: http://iga.in.gov/				
✓	HB 1002	R	Contains various tax provisions including exemptions and credits related to the business personal property tax; sales tax exemption; and individual income tax, among other related provisions	Enacted 3/15/22; Eff. Multiple dates
✓	HB 1208	R	Various probate and trust matters	Enacted 3/18/22; Eff. 7/1/22
✓	HB 1209	R	Relates to carbon sequestration projects and provides for the mechanism for underground storage of carbon dioxide in Indiana	Enacted 3/18/22; Eff. 7/1/22
X	SB 203/ HB 1336	D	Employee misclassification; requires certain reporting by relevant state agencies	Died in committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
Kansas Starts 2021 → 5/27/22	Access all bills: http://www.kslegislature.org/li/			
✓	HB 2022	R	Updates state authority regarding responsibility for abandoned wells and abolishes the well plugging assurance fund, transferring all assets and liabilities to the abandoned oil and gas well fund	Enacted 4/9/21; Eff 7/1/21
✓	HB 2196	R	Protects independent contractor landmen by providing that landmen providing services on a contractual basis are not considered employees	Enacted 4/26/21; Eff immediately
✓	HB 2591	R	Would repeal the statute that authorizes quarterly \$100,000 State General Fund and \$200,000 Conservation Fee Fund transfers to the Abandoned Oil and Gas Well Fund in the Kansas Corporation Commission	Enacted 3/22/22; Eff after published in state register
✓	SB 106	R	Adopts the Revised Uniform Law on Notarial Acts, and provides for remote, electronic notarial acts	Enacted 4/21/21; Eff multiple dates
X	SB 177	R	Removes from the definition of employee landmen working on a contractual basis	Died in session
Kentucky Ends 3/30/22	Access all bills: https://legislature.ky.gov/Legislation/Pages/default.aspx			
✓	HB 256	R	Amends existing law to increase criminal penalties for unauthorized practice of law	Enacted 4/8/22; Eff 90 days following session adjourn
✓	SB 315/ HB 669	R	Amends the definition of "orphan wells" as well as providing for fund and grants related to remediation. The Act takes immediate effect	Both enacted 4/8/22; Eff immediately
Louisiana Ends 6/1/22	Access all bills: http://www.legis.la.gov/legis/BillSearch.aspx?sid=LAST			
	HB 165	R	Establishes a maximum acreage for wind leases; provides for operating agreements for the production of wind energy; and would remove the requirement of a minimum dollar amount set and a minimum percentage of revenue to be produced by each turbine; and provides for certain state regulatory authority	Passed both
	HB 167	R	Would reduce the severance tax rate for oil over a certain period of time and specifies the severance tax rate for oil produced from certain wells	In committee
✓	HB 267	R	Provides relative to the existing right of a storage facility operator to expropriate property for the purpose of drilling through a storage facility in Caldwell Parish	Enacted 5/26/22; Eff. 8/1/22
	HB 716	R	Reduces the rate of the severance tax levied on oil, certain distillate, and natural gas over a specified period of time	In committee
✓	HB 903	R	Provides that a remote online notarial act is deemed to be executed in any parish where the notary is physically located	Enacted 5/25/22; Eff. 8/1/22

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	HB 1037	D	Amends existing law regarding noncompete agreements and contracts in employment and would also repeal existing law regarding independent contractor noncompete length of time	In committee
	HCR 43	R	Urges and requests federal action on domestic oil and gas production	Passed both
	HCR 49	R	Memorializes Congress to request the President of the United States to encourage increased domestic oil production	In committee
✓	SB 23	R	Provides for the deposit of monies into the Oilfield Site Restoration Fund	Enacted and eff. 6/3/22
✓	SB 38	R	Provides for the risk charge against nonparticipating owners in drilling units	Enacted 5/13/22; Eff. 8/1/22
✓	SB 196	R	Prohibits the importation of crude oil and petroleum products from the Russian Federation into Louisiana	Enacted and Eff. 5/31/22
✓	SB 245	R	Provides for the Orphan Well Program	Enacted 5/13/22; Eff. 5/13/22
	SB 390	R	Provides incentive rebates for oil and gas exploration and production	In committee
	SB 406	R	Would reduce the rate of oil severance tax on new wells for three years	In committee
✓	SCR 12	R	Requests halt in actions that cancel or delay offshore oil and natural gas lease sales	Enacted
Maryland Ends 3/18/22	Access all bills: https://msa.maryland.gov/msa/mdmanual/07leg/html/proc.html			
✓	HB 576	D	Regarding will and trust execution provides for remote, electronic will execution and related notarial acts	Enacted 4/21/22; Eff immediately
✓	SB 36	R	Regarding will and trust execution provides for remote, electronic will execution and related notarial acts	Enacted 4/21/22; Eff immediately
✓	HB 663/ SB 317	R	Makes various changes to notarial acts law including increasing notarial acts fees and instances regarding electronic notarial acts	Enacted 5/29/22; Eff. 6/1/22
Massachusetts Starts 2021 → 1/2/23	Access all bills: https://malegislature.gov/Bills/Search			
	SD 21	D	Prohibits hydraulic fracturing in the state	Introduced
Michigan Starts 2021 → 12/31/22	Access all bills: https://www.legislature.mi.gov/(S(hybtdo1hgo2y4jsrnuzxecrb))/mileg.aspx?page=Bills			
	HB 4169	D	Would amend existing law to require certain public hearings regarding hydraulically fractured wells prior to permitting	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
✓	HB 4363	R	Amends various state land management procedures	Enacted 2/1/22
	HB 4542	R	Notaries public requirements	In committee
	HB 4879	R	Regarding corporate income taxes, would amend existing law to provide for deductions for net operating losses and eliminates income and expenses from producing oil and gas for all tax years	In committee
	HB 5249	D	Allows for additional notarial technology fee for remote electronic notarization if agreed upon by parties in advance	In committee
	HB 5388	R	Would amend existing Department of Natural Resources code of the Natural Resources and Environmental Protection Act to approve the strategic plan entitled "The Power of Public Lands: Your resources. Our commitment. Michigan's legacy. Michigan Department of Natural Resources Public Land Strategy 2021-2027."	In committee
	HB 6187	R	Would repeal Section 62507 of the Natural Resources and Environmental Protection Act which provided that the supervisor of mineral wells, acting directly or through his or her deputy or authorized representative, may issue emergency orders without a public hearing to implement this part	In committee
	SB 724	D	Would amend the state Natural Resources and Environmental Protection Act (Sec. 324.61524) by increasing the current fee for "the purposes of monitoring, surveillance, enforcement, and administration of this part" from 1% to 2% as "levied upon oil and gas produced in this state	In committee
	SB 823	D	Regarding methane emissions, provides methane emissions capture and reduction requirements and penalties for violations	In committee
✓	SB 1189	R	Allows for the electronic execution of certain documents	Enacted 12/29/20; Eff. Immediately
✓	SB 1187	R	Allows for electronic notarization of documents under the criteria as provided	Enacted 12/29/20; Eff. Immediately
	SR 67	R	A resolution to oppose the suspension of all oil and gas leases in the Arctic National Wildlife Refuge	In committee
	SR 72	R	A resolution to urge the Governor to establish a statewide goal of conserving at least 30 percent of land and 30 percent of water in the state by the year 2030, as part of the nationwide 30x30 effort to accelerate conservation efforts, and to update the state land management plan accordingly	In committee
Mississippi Ends 4/1/22	Access all bills: http://www.legislature.ms.gov/			
X	HB 372	R	If a board of education leases or extends a lease on sixteenth section land that is classified as industrial, commercial or recreational with the governing authorities of any municipality or county, then the board may lease or extend the lease for less than the minimum acceptable	Died in Senate committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			percentage, which is five percent of the current market value, as long as the lease of the land is utilized by the governing authorities for a public purpose	
X	HB 500/ HB 401	R	Provides for interest owner payment of severance taxes; exemptions from ad valorem taxes; and mineral interests reversion to surface estate owners	Both died in committee
X	HB 501	R	Provides that "mineral estates separated from the surface estate shall revert to the owner of the surface estate after twenty years of nonproduction" and defines nonproduction	Died in committee
✓	HB 719	R	Would amend certain filing fees charged by Chancery clerks for the recording of documents	Enacted 4/21/22; Eff 7/1/22
X	HB 721/ HB 973	R/D	Provides that "mineral estates separated from the surface estate shall revert to the owner of the surface estate after ten years of nonproduction" and defines nonproduction	Died in committee
X	HB 876	R	Would exempt from the definition of employee "Landwork performed by a petroleum landman on a contractual basis" and provides definitions of minerals, landwork and the conditions under which such landwork would be exempt	Died in Senate committee
X	HB 1105	R	Authorizes the Secretary of State to promulgate rules regarding when a notary is permitted to charge a fee for services rendered and provides that a notary public shall not be required to be a resident of the state if he or she is an employee in, or has a practice in, the state	Died in Senate committee
✓	HB 1214	R	Carbon sequestration provisions	Enacted 3/23/22; Eff. 7/1/22
X	HB 1322	R	Provides for remote, online notarization and related provisions	Died in committee
✓	HB 1529	R	Amends existing tax law to allow for expenses as income tax deductions if made pursuant to a grant or loan program such as the Paycheck Protection Program and other COVID-19 related programs	Enacted 3/17/22; Eff 60 days later
✓	HR 105	R	A resolution supporting an increase in American energy production and infrastructure	Adopted 3/25/22
X	SB 2035	R	Amends existing law to revise the maximum fee permitted to be charged for notarial services and also revises the residency requirements to permit a nonresident who works or practices in the state to apply to be commissioned as a notary public	Died in committee
X	SB 2282	R	Provides for carbon sequestration	Died in committee
X	SB 2622	R	Provides for online, remote notarial acts	Died in committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
Missouri Ends 5/30/22	Access all bills: https://www.house.mo.gov/LegislationSP.aspx			
X	HB 2862	R	Mineral rights revert to the landowner if unused for twenty years	Died in session
X	SB 863	R	Provides for the recognition of independent contractor status	Died in session
Nebraska Starts 2021 → 5/31/22	Access all bills: https://nebraskalegislature.gov/bills/			
✓	LB 94	D/R	Updates the Online Notary Public Act to update validity dates for online notarial acts	Enacted 3/31/21; Eff dates within Act
✓	LB 650	D/R	Addresses carbon dioxide storage and sets provisions regarding reservoir estates and the priority of mineral estates and subsurface use	Enacted 5/26/21; Eff three months after session adjourn
New Jersey Ends 1/11/22	Access all bills: https://www.njleg.state.nj.us/			
	A 1439	R	Employee misclassification (test used to determine status)	In committee
	A 1526	D	Independent contractors	In committee
	A 3223	R	Dormant minerals; reverts to surface owner after 20 years	In committee
	A 3303	D	Payment of independent contractors; recordkeeping; penalties; prohibition on retaliatory actions	In committee
	A 3903	D	Allows remote notarial acts during an emergency	Passed both 4/14/20
	A 5843	D	Employee misclassification	In committee
	S 863	D	Employee misclassification (employee status by default)	In committee
New Mexico Ends 2/17/22	Access all bills: https://www.nmlegis.gov/Legislation/BillFinder/Number			
X	HB 6	D	Clean Future Act. Sets certain emissions levels and requirements	Died in committee
✓	HB 163	D	Would provide for a one-time, refundable 2021 income tax rebate and makes various changes to gross receipts taxes	Enacted 3/8/22; Eff. 7/1/22
X	HB 200	R	Regarding the oil and gas industry, would require "certain state agencies to conduct a cost assessment for rules that impose new mandates on the oil and gas industry; requiring the development of recommendations to reduce costs to industry and a study of the impacts to consumers; [and] requiring reporting	Died in session
X	HB 205	R	Geologic Carbon Dioxide Sequestration Act. Would provide "for the unitization of formations for subsurface	Died in session

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			sequestration of carbon dioxide; limiting liability of owners of sequestration facilities following transfer to state ownership; [and] establishing fees;" among other related provisions	
X	HB 207	R	Would provide deductions to the gross receipts tax for certain business-to-business transactions as indicated	Died in session
X	SB 136	R	Relating to taxation, the bill excludes "oil and gas production services from destination-based sourcing rules for purposes of determining gross receipts tax liability"	Died in committee
New York Ends 1/1/23				
Access all bills: https://nyassembly.gov/leg/				
	AB 6899	D	Prohibits non-disclosure clauses in leases of real property to be used for hydraulic fracturing	In committee
North Carolina Ends 1/5/22				
Access all bills: https://www.ncleg.gov/Legislation				
	HB 776	D	Provides for remote, online notarial acts	Passed both
Ohio Starts 2021 → 12/31/22				
Access all bills: https://www.legislature.ohio.gov/				
	HB 152	R	Amends existing law regarding oil and gas unitization	In committee
	HB 203/ SB 131	R	Would require an occupational licensing authority to issue a license or government certification to an applicant who holds a license, government certification, or private certification or has satisfactory work experience in another state under certain circumstances	Passed House (HB 203)
	HB 237	R	To require counties to provide an electronic means of recording instruments and accessing them, to allow county recorders to charge a document preservation surcharge, to increase recording fees for certain instruments	In committee
	HB 282	R	Amends existing law to establish conditions and requirements for the sale of brine from oil or gas operations as a commodity and to exempt that commodity from requirements otherwise applicable to brine	In committee
	HB 300	D	To amend exiting law to ban the taking or removal of oil or natural gas from and under the bed of Lake Erie	In committee
✓	HB 397	R	Establishes timelines within which the Chief of the Division of Oil and Gas Resources Management must hold a hearing on an application for unit operation and issue the unit operation order	Enacted 4/20/22; Eff. 7/21/22
	SB 171	R	Establishes conditions and requirements for the sale of brine from oil or gas operations as a commodity and to exempt that commodity from requirements otherwise applicable to brine	In committee
✓	SB 276	R	Revises/updates the Ohio Limited Liability Company Act	Enacted 1/8/21; Eff. 1/1/22

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	SB 300	R	Makes numerous changes to notarial law	In committee
✓	SR 176	R	To urge Congress to protect the natural gas and oil industry from disproportionate tax increases or other punitive measures	Adopted 9/15/21
	SR 259	R	To strongly urge the President of the United States and United States Congress to take specified actions to encourage the production of domestic crude oil, natural gas, and coal resources	In committee
Oklahoma Starts 2021 → 5/27/22	Access all bills: http://www.oklegislature.gov/			
	HB 1831	R	Removes a provision related to the reduction of the gross production tax	In committee
	HB 1833/ SB 467	R	Creates a new nuisance law and states that no action for nuisance shall be brought against oil and gas activities which has lawfully been in operation for two years or more prior to the date of bringing the action, and provides supporting provisions	In committee
✓	HB 2029	R	Amends existing law relating to ratification or approval of unitization plan by lessees and owners; removing the exclusion of royalty interest owned by lessees, or subsidiaries of the lessee, from counting towards the requisite percentage of royalty ownership needed to ratify or approve unitization plan	Enacted 5/24/21; Eff immediately
	HB 2080	R	Allows for garnishment of delinquent income taxes owed by a state licensee	Passed House; In Senate
✓	HB 2226	R	Fees for unclaimed property, including mineral proceeds	Enacted 4/28/21; Eff 11/1/21
X	HB 2230	R	Creates the Royalty Standardization Act providing working interest owners shall be responsible for the costs of production; and the proceeds due owners of a royalty interest shall not be decreased, either directly or indirectly, by any costs of production	Passed both 4/21/21; Conf cmte appointed; Died in conference 5/27/21
✓	HB 3039	R	Relates to common source of supply and well spacing and drilling units and would allow drilling of wells prior to the Oklahoma Corporation Commission granting an order	Enacted 5/20/22; Eff. 90 days after session adjourns on 5/27/22
	HB 3394	R	Production Revenue Standards and Royalty Standardization Act. Provides for transfer orders and substitute division orders	Passed both
✓	HB 3403	R	Relates to oil and gas produced water and waste recycling and reuse and modifies “definitions to allow thermal and other commercially viable technological processes”	Enacted 4/21/22; Eff 11/1/22
✓	HB 3568	R	Creates a rebate program for oil and gas companies that implement qualified emission reduction projects. The measure also creates a five-year gross production tax exemption for oil and gas production projects approved by	Enacted 5/26/22; Eff 7/1/22

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			the Corporation Commission that use secondary and tertiary recovery methods	
✓	HB 3824	R	Authorizes the Department of Environmental Quality to apply site-specific criteria to effluent water quality standards, so long as they are implemented by the permitting or rulemaking process that meets requirements for public comments	Enacted 4/29/22; Eff 11/1/22
✓	HCR 1011	R	House concurrent resolution that state should not enter into any contracts with companies boycotting oil and gas industry or inducing any individual to boycott the industry	Enacted 5/26/21; Eff N/A
	SB 380	R	Provides criteria for designation as an independent contractor	In committee
	SB 389	R	Decreases gross production tax as specified	In committee
	SB 476	R	Amends existing law to provide a new provision regarding the improper or fraudulent transfer of wells	In committee
✓	SB 632	R	Regarding oil and gas liens, the bill adds new definitions of oil and gas rights proceeds	Enacted 4/20/21; Eff. 11/1/21
✓	SB 913	R	Provides legislature oversight of state agency regulations and ability to repeal agency regulations	Enacted 4/12/21; Eff 9/1/21
	SB 916	R	Amends existing law to provide for remote, electronic notarial acts	In committee
	SB 1003	R	Amends existing law to extend the required proceeds payment date for oil and gas production	In committee
X	SB 1034	R	Removes the Oklahoma Energy Resources Board from directing the Committee for Sustaining Oklahoma's Energy Resources	Passed both 4/22/21; Died in conference
✓	SB 1059	R	Extends sunset dates for the current excise and gross production taxes on petroleum oil and natural gas and/or casinghead gas from 2021 to July 1, 2026	Enacted 5/21/21; Eff 7/1/21
✓	SB 1305	R	Amends existing law relating to deductions from royalty payments and pass-through entities (Provisions removed from final Senate Conference Committee substitute)	Enacted 5/26/22; Eff 7/1/22
✓	SB 1325	R	Transfers the enforcement of Oklahoma's Water Quality Standards from the Oklahoma Water Resources Board to the Department of Environmental Quality	Enacted 5/3/22; Eff. 11/1/22
	SB 1368	R	Modifies the amount of certain surety an owner must maintain as it relates to the Corporation Commission surety requirement to operate wells in the state	Passed Senate
	SB 1524	R	Provides that proceeds from the sale of oil or gas production from an oil or gas well shall be paid upon submission of a properly executed division order to the person responsible for remitting proceeds. The measure also provides that proceeds that are not paid on time shall not accrue interest in certain circumstances outlined in the measure. If the conditions as outlined in the measure are cured, then payment shall be remitted to persons legally entitled to payment. Continued delay of payment shall result in 12% interest accruing to the proceeds, which shall be compounded annually	Passed both

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	SB 1594	R	Water use and permit approval and provides certain requirements	Passed Senate
	SB 1645	R	Increases the “dollar amount of financial instrument required to drill and operate certain wells and units”	In committee
Pennsylvania Starts 2021 → 11/30/22	Access all bills: https://www.legis.state.pa.us/cfdocs/legis/home/bills/index.cfm			
	HB 353	D	Would require that well operators add tracer substances directly to fracking fluids before the fluids are used in hydraulic fracturing operations. “The addition of tracer substances would allow for the identification of fluids used by natural gas well operators which, in turn, would help regulators identify the party responsible for related water quality impairment	Introduced
	HB 423	R	Provides for income tax deductions related to oil and gas wells	In committee
	HB 1144	R	Conventional Oil & Gas Act. This legislation will provide a legislative framework for regulations specific to conventional oil and gas producers in a way that protects the environment while preserving this valuable industry	Passed House
	HB 1400	R	Rededicates impact fee to be distributed to local governments dealing with impacts of active pipeline projects and expanded public safety needs	In committee
	HB 1465	D	Would increase well setbacks	In committee
	HB 1467	D	Would require the Department of Health to “create a full public health response to the serious harms to human health caused by the fracking industry.”	In committee
	HB 1763	R	Amends existing law to define “royalty”	In committee
	HB 1914	D	Seeks to establish plain language in oil and gas property contracts (Note: a version of this bill is introduced in every session and they always fail to advance)	In committee
	HB 2377	D	Creates the Public Natural Resources Trust Fund to care for the environment and utilizes funds from oil and gas production to finance the fund	In committee
	HB 2444	R	The End Russian Aggression Act is composed of four main goals: (1) Increase domestic drilling here in Pennsylvania; (2) Fund pipeline development to get domestic drilling here in Pennsylvania to market; (3) Drilling permit improvements and reforms; and (4) End RGGI [Regional Greenhouse Gas Initiative]	In committee
	HB 2451	R	Would amend Pennsylvania’s version of the Delaware River Basin Compact “to make it clear that it is not within the Delaware River Basin Commission’s authority to ban fracking.”	Passed House
	HB 2458	R	Establishing the Philadelphia LNG export taskforce and providing for duties of the taskforce to support domestic gas production for export	Passed House
	HB 2528	R	Regarding the plugging of oil and gas wells, requires the state ensure that well plugging contracts awarded are going to Pennsylvania companies as a first priority	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	HB 2461	R	Would allow non-surface drilling on state lands to stop reliance on Russian energy	Passed House
✓	HB 2644	R	Providing for oil and gas well plugging oversight; in development, further providing for bonding and for well plugging funds; establishing the Oil and Gas Well Plugging Grant Program	Enacted w/o Gov sig 7/19/22; Eff. immediately
	HB 2724	D	Regarding well reporting, the bill would provide for the reporting of impacts on communities and public resources caused by unconventional natural gas production	In committee
✓	HR 189	R	Resolution calling on the Biden Administration and Congress to ban all imports of Russian oil and gas	Adopted 3/30/22
	SB 650	D	Would increase well setbacks	In committee
	SB 806	R	Providing for more description, clarity and uniformity on royalty check statements	Passed Senate
	SB 807/ HB1770	R	Regarding notarial acts, would eliminate an obsolete fee and provide greater flexibility for county officers to register the signature of a notary public	SB 807 passed Senate
	SR 255	R	Resolution urging President Biden to reopen the Keystone XL pipeline	In committee
South Carolina Ends 1/7/22	Access all bills: https://www.scstatehouse.gov/legislation.php			
	H 3055	R	Establishment of Department of Natural Resources	In committee
	S 119	R	Prohibitions regarding offshore drilling	In committee
✓	SB 631	R	Provides for electronic notarial acts	Enacted 5/18/21; Eff. immediately
South Dakota Ends 3/28/22	Access all bills: https://sdlegislature.gov/Session/Bills/64			
✓	HB 1115	D	Would allow for succession to real property by an affidavit and provides the conditions under which succession may be effectuated	Enacted 3/10/22; Eff. 7/1/21
Tennessee Starts 2021 → 5/7/22	Access all bills: http://www.capitol.tn.gov/			
✓	HB 633/ SB 1263	R	Regarding the registration of instruments, would require either a licensed attorney or the custodian of the original version of an electronic document, instead of the custodian of the electronic version, to certify the electronic document for registration by a county register	Enacted 4/20/21; Eff. 7/1/21
X	HB 1162/ SB 1139	R	Authorizes an attorney licensed in this state to acknowledge the execution of an instrument affecting real property in this state	Died in session
X	HJR 90	R	Urges Congress to approve the Keystone XL pipeline	In committee
	SB 2880/ HB 2411	R	Provides notice requirements for certain state agency sales of interests in energy-related resources	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
Utah Ends 3/4/22	Access all bills: https://le.utah.gov/DynaBill/BillList?session=2022GS			
✓	HB 244	R	Regarding carbon sequestration, authorizes the Division of Oil, Gas, and Mining and the Board of Oil, Gas, and Mining to establish regulations for the geologic storage of carbon	Enacted 3/21/22; Eff. 60 days after 3/4/22
X	HB 304	R	Modifies provisions related to eminent domain, specifically, provisions related to the authority of a county to exercise eminent domain on a highway, street, or road under certain circumstances	Passed House; Died in Senate
✓	SB 80	R	Would amend existing law to provide that regarding a document conveying title to real property presented for recording after July 1, 2022, certain new requirements for a legal description of real property in a document are necessary in order to be recorded with a county recorder	Enacted 3/24/22; Eff. 7/1/22
✓	SB 146	R	Would amend definitions related to oil production, specifically the definitions of "crude oil" and "oil" to clarify regulatory authority over tar sands production; clarifies that tar sands are exempt from state severance tax; and makes technical and conforming changes with the amendments	Enacted 3/21/22; Eff. 60 days after 3/4/22
Virginia Ends 3/8/22	Access all bills: https://viriniageneralassembly.gov/			
X	HB 529	R	Establishes a more permissive adoption of the independent contractor test in cases of employee misclassification	Died in committee
West Virginia Ends 4/10/22	Access all bills: https://www.wvlegislature.gov/			
X	HB 2853	R	Provide for the unitization of interests in drilling units in connection with shallow horizontal oil or gas wells	Passed over for Senate version SB 694
X	HB 2879	D	Would modify the term "employee" to include an individual who provides work for an employer under the terms of an independent contract with such employer	Died in committee
X	HB 2975	D	Provides that the limit of disturbance of a well site may not be closer to an occupied building than 2,500 feet	Died in committee
X	HB 2979	R	Creates a tax credit for a manufacturer or power generating facility in West Virginia that purchases and uses coal, oil, or gas	Died in committee
X	HB 3051	R	Would standardize gas and oil contracts	Died in committee
X	HB 3098	D	Seeking to end at-will employment, would mandate that employees may only be dismissed for cause after completing a probationary period	Died in committee
X	HB 3147	D	Seeks to double the current severance tax from instances where the tax is 2.5% to 5% and instances where the tax is 5% to 10%	Died in committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
X	HB 3209	D	Excepting persons previously commissioned as a notary public from requirement to have a high school diploma or its equivalent in order to be recommissioned as a notary public	Died in committee
X	HB 4054	D	Creates the Orphan Well Prevention Act of 2022. The purpose of this bill is to prevent oil and gas wells from being orphaned on surface owner's land with no responsible driller or operator with the resources to plug the well	Died in committee
✓	HB 4336	R	The purpose of this bill is to provide valuation and assessment of classification and personal property taxation. The bill provides for a revised methodology method in order to value property that is producing oil, natural gas, and natural gas liquids by the Tax Commissioner for property tax assessments	Enacted 3/30/22; Eff. 6/9/22
X	SB 36	R	Requiring notice be sent to owners of record before real property can be sold due to nonpayment of taxes	Died in committee
X	SB 56	R	Creates the Orphan Oil and Gas Well Prevention Act; offers multiple provisions related to orphaned wells	Died in committee
X	SB 185	D	Relating to clarifying municipal business and occupation taxation where business activity occurs in more than one location	Died in committee
X	SB 464	D	The purpose of this bill is to include independent contractors within the definition of employee to receive the same wage and earnings protections and legal remedies	Died in committee
X	SB 480	R	The purpose of this bill will adequately fund the West Virginia Department of Environmental Protection's Office of Oil and Gas, increasing its inspector corps from nine to 20 inspectors, who will inspect over 60,000 active oil and gas wells	Passed Senate; Died in House
X	SB 613	R	The purpose of this bill is to establish a reliable annual source of funding for the state Department of Environmental Protection's Office of Oil and Gas	Died in committee
X	SB 622	R	Provides requirements for carbon sequestration	Died in committee
✓	SB 650	R	The purpose of this bill is to eliminate the minimum number of royalty owners required to utilize article one of Chapter 37B regarding lawful use and development by cotenants	Enacted 3/30/22; Eff. 6/3/22
✓	SB 694	R	Relating to oil and gas conservation, providing further declaration of public policy and legislative findings; clarifying the definition of operator; adding further definitions of "wells"; providing an expanded scope of the article; adding a fifth appointee; modifying the rules and notice requirements; and adding a section related to the unitization of interests in horizontal well drilling units	Enacted 3/30/22; Eff. 6/7/22
Wisconsin Starts 2021 → 1/2/23				
Access all bills: https://docs.legis.wisconsin.gov/2021				

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
Wyoming Ends 3/11/22	Access all bills: https://www.wyoleg.gov/Legislation/search			
✓	HB 3	R	Provides for preference to be given in the process of vacant land bidding to applicants who are the owners, lessees, or lawful occupants of adjoining lands in good standing with the Board of Land Commissioners	Enacted 3/16/22; Eff. 7/1/22
✓	HB 89	R	Relating to taxation on mineral production the bill allows “for regulation of oil and gas production until unpaid taxes are paid.” The bill provides for Oil and Gas Conservation Commission orders to plug or prohibit drilling under provided circumstances. This bill provides an additional penalty for failure to make timely payment for severance taxes or ad valorem taxes on mineral production	Enacted 3/15/22; Eff. 7/1/22
X	HB 90	R	Relating to taxation on mineral production, provides that as an alternative to distraint of property under state law, “the county treasurer or the department may garnish any payments, debts or other monetary obligations owed by a third person to the taxpayer that are related to mineral or mine production to satisfy any unpaid taxes due under this section. This paragraph shall only apply after the date to appeal the taxes has expired and shall not apply during the time an appeal is pending before the state board of equalization or any court of competent jurisdiction	Died in committee
X	HB 94	R	Regarding maximum size for drilling units, the bill provides that no drilling unit established under this section shall exceed one thousand two hundred eighty (1,280) acres	Died in committee
X	HB 101	R	Relating to oil and gas the bill clarifies the amount of the cost-free royalty interest to which a nonconsenting owner in a drilling unit is entitled	In committee
X	HB 102	R	Provides that each interested person applying for a pooling order under this subsection shall in good faith offer lease terms to each unleased nonconsenting mineral interest owner within the area of the proposed pooling order and shall provide evidence of the lease offers to the commission before the commission enters a pooling order	In committee
✓	SF 38	R	Relating to ad valorem taxation of mineral production, the bill clarifies and modifies the reporting and payment of ad valorem taxes on mineral production and clarifies and modifies provisions for the payment of deferred taxes	Enacted 3/11/22; Eff. 3/11/22
✓	SF 47	R	Regarding carbon sequestration; various provisions	Enacted 3/21/22; Eff. Multiple dates
X	SF 84	R	Provides for severance tax relief/refunds	Passed Senate; Died in House
FEDERAL U.S. Congress Ongoing	Access all bills: https://www.congress.gov/			
	H.R. 218	R	Saving America’s Energy Future Act. The Interior Department and Department of Agriculture, administering the National Forest system, may not issue a moratorium on issuing new oil and gas leases and drill permits, nor	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			renewals of such permits, on Federal lands under such Secretary's jurisdiction	
	H.R. 455	D	California Clean Coast Act of 2021. Would permanently ban oil and gas leasing in the Outer Continental Shelf off the coast of California	In committee
	H.R. 479	D	California Central Coast Conservation Act. Prohibits federal oil and gas drilling on California's Central Coast	In committee
	H.R. 488	R	Saving America's Mines Act. Would prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land without an Act of Congress to preclude any unilateral executive action moratorium	In committee
	H.R. 519	R	Safeguarding Oil and Gas Leasing and Permitting Act of 2021. Provides that an order or other action by the President, Secretary of the Interior, or Department of the Interior official imposing a moratorium on Federal oil and gas leasing or permitting shall not take effect unless a joint resolution of approval is enacted by Congress	In committee
	H.R. 544	D	Stop Arctic Ocean Drilling Act of 2021. Would prohibit oil and gas drilling in the Arctic Ocean	In committee
	H.R. 684	R	Keystone XL Pipeline Construction and Jobs Preservation Act. Authorizes the Keystone XL pipeline and overrides any attempt by President Biden to override it through executive action	In committee
	H.R. 751	R	Protecting American Energy Production Act. Provides that the President may not declare a moratorium on the use of hydraulic fracturing unless such moratorium is authorized by an Act of Congress	In committee
	H.R. 757	R	Protecting New Mexico's Jobs and Public Education System Act. Would exempt the state of New Mexico from Executive and Interior Department orders pausing oil and gas leasing, permitting, and related federal actions	In committee
	H.R. 794	D	National Climate Emergency Act. Would direct President Biden to declare a national climate emergency and mobilize every resource at the country's disposal to halt, reverse, mitigate, and prepare for the consequences of this climate crisis	In committee
	H.R. 803	D	Protecting America's Wilderness and Public Lands Act. Combined eight bills aims to provide extra protection to about 1.5 million acres of public lands by designating them as wilderness. It would also prevent new oil, gas and mineral extraction on more than 1.2 million acres of public land and preserve 1,000 river miles by adding them to the National Wild and Scenic Rivers System	Passed House 2/26/21; To Senate
	H.R. 815/ S. 282	D	Arctic Refuge Protection Act. Would end the Arctic National Wildlife Refuge oil and gas program authorized under the Trump administration	In committee
	H.R. 859	R	Protecting American Energy Jobs Act. Would prohibit President Biden from issuing moratoria on leasing and permitting energy and minerals on certain Federal land	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	H.R. 1187	D	ESG Disclosure Simplification Act of 2021. Publicly traded companies would be required to disclose financial risks related to climate change	Passed House
	H.R. 1492	D	Methane Waste Prevention Act of 2021. Would require the Environmental Protection Agency and Bureau of Land Management to set strict new standards limiting the amount of methane that oil and gas producers can release into the atmosphere from their drilling sites	House cmte passed
	H.R. 1503	D	Restoring Community Input and Public Protections in Oil and Gas Leasing Act of 2021. Would amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling	House cmte passed
	H.R. 1505	D	Bonding Reform and Taxpayer Protection Act of 2021. Increases bond amounts and sets reclamation plan requirements for drilling on federal lands	Reported favorably first cmte
	H.R. 1506	D	Transparency in Energy Production Act of 2021. Provides for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land	Reported favorably first cmte
	H.R. 1512	D	Climate Leadership and Environmental Action for our Nation's (CLEAN) Future Act. Ensures the United States acts aggressively to tackle the climate crisis this decade and achieve net zero greenhouse gas emissions	In committee
	H.R. 1517	D	Ending Taxpayer Welfare for Oil and Gas Companies Act of 2021. Amends the Mineral Leasing Act to make certain adjustments to the fiscal terms for fossil fuel development and to make other reforms to improve returns to taxpayers for the development of Federal energy resources	Passed House
	H.R. 1600	R	Methane Emissions Reduction Act. Would enable the Department of Energy to help states in reducing methane emissions from oil and natural gas production	In committee
	H.R. 1726	R	America Needs Worthwhile Resources Act or the ANWR Act. Provides that an order or action by the President or the Secretary of the Interior imposing a moratorium on oil and gas leasing shall not take effect without the express approval of Congress	In committee
	H.R. 1755/ S. 1276	D	Northern Rockies Ecosystem Protection Act. Would designate approximately 23 million acres of wild lands in the continental northwest as wilderness and prohibit oil and gas resource development	In committee
	H.R. 2081	R	To keep the BLM headquarters in Colorado	In committee
	H.R. 2132	D	Closing Loopholes and Ending Arbitrary and Needless Evasion of Regulations Act of 2021. To require regulation of wastes associated with the exploration, development, or production of crude oil, natural gas, or geothermal energy under the Solid Waste Disposal Act	In committee
	H.R. 2176	R	Ensuring Access to Domestic Mineral Production Act. To provide for the continued and uninterrupted production of domestic minerals in the United States	In committee
	H.R. 2184	D	End Oil and Gas Tax Subsidies Act of 2021. Would repeal certain fossil fuel tax subsidies or credits for oil and gas production companies	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	H.R. 2415	D	Orphaned Well Cleanup and Jobs Act of 2021. Would amend the Energy Policy Act of 2005 to require the Secretary of the Interior to establish a program to permanently plug, remediate, and reclaim orphaned wells and the surrounding lands and to provide funds to States and Tribal Governments to permanently plug, remediate, and reclaim orphaned wells and the surrounding lands	Passed first committee
	H.R. 2570	D	Climate Risk Disclosure Act of 2021. To reduce the chances of environmental and financial catastrophe by requiring public companies to disclose more information about their exposure to climate-related risks	In committee
	H.R. 2640	D	Buffalo Tract Protection Act. Withdraws certain New Mexico lands from mineral development.	In committee
	H.R. 2644	D	Green New Deals for Cities Act of 2021. To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and includes an ABC test for independent contractors related to those programs and initiatives	In committee
	H.R. 2836	D	Florida Coastal Protection Act. Amends the Outer Continental Shelf Lands Act to prohibit oil and gas preleasing, leasing, and related activities in certain areas of the Outer Continental Shelf off the coast of Florida	In committee
	H.R. 3225	D	Restoring Community Input and Public Protection in Oil and Gas Leasing Act. Would amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling.	In committee
	H.R. 3326	D	Public Land Renewable Energy Development Act of 2021. To promote the development of renewable energy on public lands	In committee
	H.R. 3330	R	Public Land Renewable Energy Development Act of 2021. To promote the development of renewable energy on public lands	In committee
	H.R. 4153	Bipartisan	Clean Energy Future through Innovation Act of 2021. A bipartisan proposal to boost innovation of clean energy technologies and reduce emissions from the power sector while preserving affordability and reliability	In committee
	H.R. 4219	R	Would amend existing law to permanently set the federal onshore oil and gas and coal royalty rate at 12.5%	In committee
	H.R. 4334	R	American Energy First Act. Would empower States to manage the development and production of oil and gas on available Federal land; to distribute revenues from oil and gas leasing on the Outer Continental Shelf to certain coastal States; to promote alternative energy development	In committee
	H.R. 4671	R	Ensuring Meaningful Petition Outreach While Enhancing Rights of States (EMPOWERS) Act. Would mandate federal agencies consider local stakeholders' input when making changes to the species listed under the Endangered Species Act	In committee
	H.R. 4678	R	American Energy is Global Security Act. Incentivizes states like New York to repeal a statewide ban on hydraulic fracturing by withholding funding from certain federal grant programs	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	H.R. 4781	R/D	Plugging Orphan Wells and Environmental Restoration Act of 2021 or the POWER Act of 2021. Amends the Energy Policy Act of 2005 to reauthorize a program to address orphaned, abandoned, or idled wells on Federal land, to establish a program to provide grants to States and Tribes to address orphaned wells	In committee
	H.R. 4833	D/R	Migratory Bird Protection Act of 2021. Amends the Migratory Bird Treaty Act to affirm that the Migratory Bird Treaty Act's prohibition on the unauthorized take or killing of migratory birds includes incidental take by commercial activities, and to direct the United States Fish and Wildlife Service to regulate such incidental take	In committee
	H.R. 5193	D	Just Transition for Energy Communities Act. Would provide resources to help state and Tribal governments that are reliant on fossil fuel development, production, and utilization to diversify and grow their economies; prohibits the funding be used for further fossil fuel development	In committee
	H.R. 5253	D	Fossil Free Finance Act. Would amend the Bank Holding Companies Act to require the Federal Reserve to mandate, via regulation or guidance, that all bank holding companies with more than \$50 billion in assets align their financing of greenhouse gas emissions and deforestation risk commodities with science-based emissions targets	In committee
✓	H.R. 5376	D	Inflation Reduction Act of 2022. \$739 billion budget reconciliation package dubbed a climate, healthcare and tax bill. See comprehensive AAPL Governmental Affairs Fact Sheet on the landman.org website under the News section	Enacted 8/16/22; multiple effective dates for provisions
	H.R. 5435	D	American Public Lands and Waters Climate Solution Act of 2019. Pauses federal O&G lease sales for one year; requires Interior Dept. and U.S. Forest Service to effectuate GHG emission goals by 2040	In committee
	H.R. 5552	D	Migratory Bird Protection Act. Oil and gas companies would face risk of criminal prosecution for unintentional killing of migratory birds	In committee
	H.R. 5575	D	America's Red Rock Wilderness Act. Prohibits certain federal portions of the Colorado Red Rock canyons and the Great Basin Deserts in Utah from coal mining and oil and gas production	In committee
	H.R. 5585	R	Listing Reform Act. Amend the Endangered Species Act to consider the economic cost of listing a species as endangered or threatened	In committee
	H.R. 5628/ S.182	D	Pecos Watershed Protection Act. Removes Pecos Watershed area in New Mexico from mineral resource development	In committee
	H.R. 5636	D	Transparency in Energy Production Act. Impose certain disclosure and reporting requirements by "any entity seeking a lease" for fossil fuel operations on federal land	In committee
	H.R. 5708	R	Seeks to codify certain regulations relating to the Endangered Species Act of 1973 finalized under the Trump administration related to critical habits and other species	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			protections that the Biden administration has proposed to rescind to put back in place more stringent protections	
	H.R. 5725	R	The Threatened Species Protection Improvement Act of 2021. Ensures animals listed as threatened under the Endangered Species Act are provided with protections specifically tailored to their conservation needs rather than lock up lands in a one-size-fits-all approach	In committee
	H.R. 5733	R	Seeks to codify certain regulations relating to the Endangered Species Act of 1973 finalized under the Trump administration related to critical habits and other species that would require economic impact to be taken into account and if the economic impact outweighs the benefit to the species	In committee
	H.R. 5740	R	Seeks to codify Trump-era regulations relating to endangered species and threatened species listing and critical habitat designation	In committee
	H.R. 5775	D	America's Red Rock Wilderness Act. Protect certain Utah public lands from coal mining and oil and gas production	In committee
	H.R. 5857	D	Fracking Ban Act. Bans hydraulic fracturing on federal lands and revokes permits as of 2021 within 2,500 ft of a home, school or other inhabited structure. In 2025, all hydraulic fracturing is banned.	In committee
	H.R. 5936	D	California's Land Preservation and Protection Act. Requires new BLM supplemental environmental impact statement for federal oil and gas development in California; EPA may override and halt oil and gas leasing	In committee
	H.R. 6086	R	Payment In Lieu of Lost Revenues Act. Would direct the Secretary of the Interior to compensate States for lost revenue for any year during which Federal oil and gas leasing of Federal land within a State does not occur or otherwise results in lost revenue to that State as a result of an order, moratorium, pause, or other action by the President, Secretary of the Interior, Secretary of Agriculture, or other designated official	In committee
	H.R. 6259	R	Continuing Robust and Uninhibited Drilling and Exporting (CRUDE) Act. Would restrict President Biden's ability to impose an export ban on crude oil without first proving a credible national security risk	In committee
	H.R. 6297	R	Strategically Lowering Gas Prices Act. Would prohibit President Biden from releasing oil from the Strategic Petroleum Reserve until the executive orders blocking energy development on federal land are revoked	In committee
	H.R. 6767	D	Creates a pilot program to provide portable benefits such as health insurance and savings plans to independent contractors similar to those employees have	In committee
	H.R. 6858	R	American Energy Independence from Russia Act. To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas by immediately approving the Keystone XL pipeline, unleash U.S. LNG exports to boost natural gas production, restart oil and gas leasing on federal lands and	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			waters, and protect energy and mineral development from attacks by the Biden administration	
	H.R. 6884	R	American Energy Independence Act of 2022. To prioritize United States energy independence	In committee
	H.R. 6886	R	Powering America through Domestic Energy Act. To prohibit the importation of crude oil and petroleum products from the Russian Federation	In committee
	H.R. 6916	R	Ending Dependence on Russian Energy Act. Authorizes the Keystone XL pipeline and directs the President to take certain actions relating to the importation into the United States from Russia, and the exportation from the United States of oil and gas	In committee
	H.R. 6942	R	To prohibit the importation of oil and gas products from Russia, Iran, or Venezuela	In committee
	H.R. 6968	D/R	Codifies President Biden's executive action banning Russian oil imports into the United States	Passed both; to President 4/8/22
	H.R. 7094	R	Energy Freedom Act. To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports	In committee
	H.R. 7099	D	Stop Gas Price Gouging Tax and Rebate Act. Imposes an excise tax of 50% of the excess of the windfall profit of a producer of crude oil (including crude oil condensates and natural gasoline) that has an average daily worldwide production of crude oil of at least 300,000 barrels for the taxable year and had gross receipts in excess of \$1 billion for its last taxable year during 2005. The bill defines <i>windfall profit</i> as the excess of the adjusted taxable income of such producer for taxable year 2022 over the reasonably inflated average profit for such taxable year. The bill requires payment of energy price rebates to eligible individuals.	In committee
	H.R. 7103	D	Stop Profiting Off Putin's War Act. Imposes a 50% excise tax through 2023 on the adjusted taxable income of certain major integrated oil companies during calendar quarters when the national average price of unleaded gasoline is equal to or greater than the national average price of unleaded gasoline on February 24, 2022, the day of the Russian invasion of Ukraine. The rate of such tax is increased to 75% for companies that raise prices in response to this new tax. The bill requires tax revenues to be paid as rebates to eligible individuals and establishes the Gas Profit Recovery Fund to finance the payment of such rebates.	In committee
	H.R. 7285	R	Unleashing American Energy Act. Would require a minimum of two oil and gas lease sales a year in the Gulf of Mexico and in the Alaska Region of the Outer Continental Shelf, and it prohibits future moratoriums or delays on oil and gas leasing	In committee
	H.R. 7293	R	Energy Permitting Certainty Act. Would amend the Mineral Leasing Act to require the Secretary of the Interior to process applications for a permit to drill	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	H.R. 7298	R	Promoting Energy Independence and Transparency Act. Would require the Secretary of the Interior to submit a report on expressions of interest and applications for permits to drill, and to amend the Mineral Leasing Act to require the publication of data on expressions of interest and applications for permits to drill	In committee
	H.R. 7304	R	Restore Onshore Energy Production Act. Would require the Secretary of the Interior to immediately resume onshore oil and gas lease sales	In committee
	H.R. 7397	R	Requires the Interior Department to immediately restart all oil and gas leasing and permitting on Federal land and prohibit the President from delaying the issuance of oil and gas leases, permits, approvals, or authorizations in the future	In committee
	H.R. 7400	R	Prohibits future U.S. presidents from using executive powers to ban hydraulic fracturing unless authorized by Act of Congress	In committee
	H.R. 7435	R	Enables the U.S. Department of Energy to assist states in reducing methane emissions from oil and gas production	In committee
	H.R. 7550	D	Oil and Gas Industry Antitrust Act. Requires that the Federal Trade Commission conduct an investigation to determine if the price of gasoline is being manipulated by reducing refinery capacity or by any other form of market manipulation or artificially increased by price gouging practices and requires an investigation and report	In committee
	H.R. 7700	D	People's Prosperity Act. Allows individual taxpayers a 2022 refundable rebate amount equal to \$1,000 (\$2,000 for joint returns). The rebate amount is reduced if taxpayer modified adjusted gross income exceeds a certain threshold. To be eligible for the rebate, taxpayers must provide a Social Security account number on their tax returns. Rebate amounts are exempt from certain reductions or offsets, including garnishments.	In committee
	H.R. 7781	D	End Polluter Welfare Act of 2020 would "eliminate certain subsidies for fossil-fuel production"	In committee
	H.R. 8176	R	Unleash American Drilling Act. Would "amend the Mineral Leasing Act to require the Secretary of the Interior to issue decisions on applications for permits to drill that have been frozen in contravention of the spirit of such Act"	In committee
	H.R. 8224	R	Fueling American Prosperity Act. Would require the Secretary of the Interior to carry out certain offshore oil and gas lease sales and finalize the next offshore oil and gas leasing program	In committee
	H.R. 8332	R	Plugging Orphan Wells and Environmental Restoration Act of 2020. Would reauthorize the federal orphan well remediation program for five years at \$50 million per year and would also establish a new grant program for environmental restoration and reclamation of orphaned wells on state, as well as private and tribal lands	In committee
	H.R. 8521	D/R	Landowner Easement Rights Act. Would place a 50-year limit on conservation easements under the Department of	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			Interior and give owners of existing easements the option to renegotiate, renew, or buy out of the easement	
	H.R. 8749	R	Protecting the Permian Basin Act of 2022. Would repeal the section of the Inflation Reduction Act that included a new methane charge on oil and gas production	In committee
	H. Res. 163	R	Resolution and not a bill expresses the sense of the House of Representatives that the United States should support, and not limit access to, all domestic sources of energy development in an effort to achieve full energy security, including by expanding use of renewable and alternative energy sources, and increasing domestic oil production	In committee
	H. Res. 614	R	Resolution purpose is condemning the Biden administration's Executive actions imposing a moratorium on oil and gas leases on Federal lands and waters, given the administration has also called for increased importation of crude oil from OPEC+ countries and refused to implement congressionally mandated sanctions on the builders of the Russian Nord Stream 2 pipeline	In committee
	H. Res. 754	R	Opposes natural gas taxes in House Democrats Build Back Better budget reconciliation package	In committee
	H. Res. 772	R	A resolution that recognizes the contributions of gig workers and independent contractors to the American economy	In committee
	H. Res. 1101	R	Expressing the sense of the House of Representatives that the United States should support the safe and responsible development of its energy resources via drilling, in an effort to maintain a robust energy supply chain that promotes national security, safeguards against energy scarcity, and reduces energy poverty for all Americans	In committee
	S. 58	D	Would permanently ban oil and gas drilling in federal waters off the coast of California, Oregon, and Washington	In committee
	S. 69	R	Conservation Funding Protection Act. The bill would require annual lease sales in the Gulf of Mexico region of the outer Continental Shelf	In committee
	S. 76/ H.R. 543	R	Protecting Our Wealth of Energy Resources Act of 2021 or POWER Act of 2021. Would prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land	In committee
	S. 171	R	Keystone XL Pipeline Construction and Jobs Preservation Act. Would authorize the continued construction of the Keystone XL Pipeline following President Biden's decision to revoke the cross-border operation permit	In committee
X	S. 173	D	Colorado Outdoor Recreation and Economy Act. Provides for the designation of certain wilderness areas, recreation management areas, and conservation areas in the State of Colorado and would remove certain federal lands in the state from oil and gas development	Died in Senate committee
	S. 180	D	Buffalo Tract Protection Act. Would withdraw certain BLM lands from mineral development	In committee
	S. 498	R	State Water Rights Protection Act. Would amend current law to prevent a president from creating a reserved water right when designating a national monument, though it	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			would not prevent a president from creating a national monument itself. Additionally, it would allow for water rights to be acquired for a national monument through the state system in which the water rights reside	
	S. 563	R	Fair Access to Banking Act. Would require banks of a certain size to lend to the fossil fuel industry if the same criteria were met by other industries	In committee
	S. 607	D	End Speculative Oil and Gas Leasing Act of 2021. Prohibits speculative oil and gas leasing on federal lands	In committee
	S. Res. 608	D	Expressing the sense of Congress about the need to stop excessive price increases by oil and gas companies and the importance of rapidly transitioning to a clean energy economy	In committee
	S. 609	D	Ruby Mountains Protection Act. Would withdraw the National Forest System land in the Ruby Mountains subdistrict of the Humboldt-Toiyabe National Forest and the National Wildlife Refuge System land in Ruby Lake National Wildlife Refuge, Elko and White Pine Counties, Nevada, from oil and gas leasing and operations	In committee
	S. 624	D/R	Fair Returns for Public Lands Act of 2021. Would raise royalty rates on federal onshore oil and gas leases	In committee
	S. 641	D	Landowner Fairness Act. Would end the legal presumption that gas exports are by definition in the public interest, standardize gas developers' communications to landowners while also setting time limits on Federal Energy Regulatory Commission actions, sets stricter standards on eminent domain claims, and provides a more robust appeals process for landowners	In committee
	S. 645	D	Methane Emissions Reduction Act of 2021. Requires the Department of the Treasury to estimate annual methane emissions from each oil and natural gas producing basin and levy a fee for such emissions on each company that produces, gathers, processes, or transmits oil or natural gas. Fees must be used to provide grants through the National Coastal Resilience Fund of the National Fish and Wildlife Foundation.	In committee
	S. 655	D	Ending Natural Gas Companies' Seizure of Land for Export Profits Act. Would strengthen the rights of landowners facing eminent domain claims from private companies to confiscate property for natural gas pipeline development	In committee
	S. 855	R	Water Rights Protection Act of 2021. Would protect privately owned waters from being seized by the federal government	In committee
	S. 977	D/R	No Oil Producing and Exporting Cartels Act of 2021. To crack down on anticompetitive behavior by foreign oil producing nations and let the federal government take action against price fixing by OPEC, the Organization of Petroleum Exporting Countries, and its partner nations	In committee
	S. 986	D/R	Carbon Capture Utilization and Storage Tax Credit Amendments Act. Aims to reduce greenhouse gas emissions by making tax credits that encourage carbon capture projects more available and easier to use	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	S. 1038	D	Regional Greenhouse Gas Reduction Act of 2021. Establish within the EPA an Office of Regional Greenhouse Gas Reduction Programs. This office would provide analysis and technical assistance to help establish new regional greenhouse gas reduction programs	In committee
	S. 1076	D/R	Revive Economic Growth and Reclaim Orphaned Wells Act of 2021 or REGROW Act. Would amend the Energy Policy Act of 2005 to require the Interior Secretary to establish a program to plug, remediate, and reclaim orphaned oil and gas wells and surrounding land, to provide funds to State and Tribal governments to plug, remediate, and reclaim orphaned oil and gas wells and surrounding land	In committee
	S. 1167	D	End Polluter Welfare Act of 2021. Would eliminate certain subsidies for fossil-fuel production	In committee
	S. 1201	D	United States Climate Leadership in International Mitigation, Adaptation, and Technology Enhancement Act of 2021. The bill "lays out a bold vision to assure the United States appropriately leads the global effort to combat the climate crisis through a new suite of climate foreign policy, climate finance and foreign assistance, and climate diplomacy programs and initiatives." Among the many climate change provisions and greenhouse gas emissions policies, the bill also "focuses energy specific assistance programs to support clean energy development."	In committee
	S. 1298	D	Clean Energy for America Act. Provides tax incentives for increased investment in clean energy but also sunsets the use of percentage depletion for oil and gas wells and repeals the Intangible Drilling Costs deduction	In committee
	S. 1537	R	Strategic Energy and Minerals Initiative (SEMI) Act. Aims to help American companies better compete in global markets by promoting domestic production of oil, gas, and minerals. Among other things, the legislation would direct the U.S. Export-Import Bank to create a strategic energy and minerals portfolio to provide financing for infrastructure projects related to civil nuclear energy, natural gas, and critical minerals that would increase American exports	In committee
	S. 1750	R	Wyoming Public Lands Initiative Act of 2021. To redesignate land within certain wilderness study areas in the State of Wyoming	In committee
	S. 2170	D	Public Engagement Opportunity on Public Land Exploration Act of 202. Would amend the Mineral Leasing Act to provide for transparency and landowner protections in the conduct of lease sales	In committee
	S. 2177	D	Oil and Gas Bonding Reform and Orphaned Well Remediation Act. Would amend the Mineral Leasing Act to ensure sufficient bonding and complete and timely reclamation of land and water disturbed by Federal and Indian oil and gas production	In committee
	S. 2393	R	Fracturing Regulations are Effective in State Hands Act. Clarifies that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	S. 2394	R	Federal Land Freedom Act of 2021. Purpose is to achieve domestic energy independence by empowering States to control the development and production of all forms of energy on all available Federal land	In committee
	S. 2818	D	Fuel Loss Abatement and Royalty Enhancement Act. Requires Interior Department to ban the venting and flaring of gas in oil and gas production on federal land onshore and offshore and promote the capture and beneficial use or reinjection of gas in such operations. Also requires oil and gas companies to pay royalties on gas that is vented or flared pursuant to this bill	In committee
	S. 2836	D/R	America's Revegetation and Carbon Sequestration Act of 2021. Bipartisan bill aiming to restore forest ecosystems and combat carbon emissions through tree planting and revegetation for carbon capture	In committee
	S. 3106	D	Sustainable International Financial Institutions Act of 2021. Would prohibit international banking institutions from investing in fossil fuels overseas	In committee
	S. 3167	D	Fossil Free Finance Act. Would prohibit financing of new or expanded fossil fuel projects by 2022 and prohibit the financing of all fossil fuel projects by 2030. It would also prohibit thermal coal financing by 2025.	In committee
	S. 3202	D	End Speculative Oil and Gas Leasing Act. Prohibits oil and gas leasing on federal lands determined by BLM to have low or no potential for development	In committee
	S. 3214	R	Supporting Made in America Renewable and Traditional Energy Act or the SMART Energy Act. Promotes domestic energy production, requires onshore oil and natural gas lease sales, development of renewable energy on public lands, and offshore oil and natural gas and wind lease sales	In committee
	S. 3247	I (Sen. Bernie Sanders)	Fracking Ban Act. Ban on federal permits for hydraulic fracturing-related infrastructure and a ban on hydraulic fracturing within 2,500 feet of homes and schools by 2021. In 2025, bans hydraulic fracturing nationwide	In committee
	S. 3287/ H.R. 6176/ H.R. 6235	R	Strategic Production Response Act. Would provide for the development and issuance of a plan to increase oil and gas production on Federal land in conjunction with a drawdown of petroleum reserves from the Strategic Petroleum Reserve	In committee
	S. 3315	R	State, Tribal, and Local Species Transparency and Recovery Act. Would amend the Endangered Species Act of 1973 to require disclosure to States of the basis of determinations under that Act, to ensure use of information provided by State, Tribal, and local governments in decision making under that Act	In committee
	S. 3459	R	Would prohibit a federal agency from promulgating any rule or guidance that bans hydraulic fracturing in the United States	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	S. 3533	R	Establishes minimum standards for electronic and remote notarizations and recognition interstate	In committee
	S. 3611	D	Disallows federal lease royalty reductions; moratorium on federal leases; disallows banks receiving CARES Act funds from lending to oil & gas companies; disallows oil companies use of SPR; extends public comment periods; suspends rulemaking favorable to oil & gas industry	In committee
	S. 3718	R	Prohibits the purchase of Russian oil imports	In committee
	S. 3731	R	Restart oil and gas leasing and permitting on Federal land	In committee
	S. 3752	R	American Energy Independence from Russia Act. To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas	In committee
	S. 3762	R	Energy Freedom Act. Would provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports	In committee
	S. 3798	R	Preempting Misguided Appeasement and Financing of Destabilizing Regimes Act of 2022. Would prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from Venezuela and Iran	In committee
	S. 3802/ H.R. 7061	D	Big Oil Windfall Profits Tax Act. Would amend the Internal Revenue Code of 1986 to impose a windfall profits excise tax on crude oil and to rebate the tax collected back to individual taxpayers	In committee
	S. 3822	R	Energy Regulations Certainty Act. Would prohibit the President from promulgating new oil and gas regulations until after Russian troops have withdrawn from Ukraine	In committee
	S. 3982	R	Furthering Resource Exploration and Empowering American Energy Act. Would expedite federal agencies' review process of applications for permits, waivers, licenses, or other authorizations related to energy production and also reduce burdensome or unnecessary regulations	In committee
	S. 3989	R	Landowner Easement Rights Act. Prohibits the Department of the Interior from entering into a conservation easement with a term of more than 50 years. The bill also sets forth requirements for the renegotiation of a conservation easement at the request of an owner of land that is subject to a conservation easement	In committee
	S. 4049	D	Oversight to Lower Oil Prices Act. Would require the Federal Trade Commission (FTC) to investigate whether companies are manipulating prices on oil and gas and driving up costs for consumers. The bill requires the FTC to report back to Congress with their findings	In committee
	S. 4223	D	Amends the Mineral Leasing Act to ensure market competition in onshore oil and gas leasing by requiring the Bureau of Land Management to issue all oil and gas leases through competitive auction, ending noncompetitive leasing	In committee
	S. 4288	D	Would permanently protect 130,000 acres of the Badger-Two Medicine region as a "cultural heritage area" and prohibit oil and gas leasing on the lands	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
	S. 4041	R	Save American Vital Energy Jobs Act or SAVE Jobs Act provides relief to oil and gas industry due to COVID-19 pandemic by providing certain tax relief for capitalization and excise taxes; ability to amend federal lease terms; and provides for royalty reductions	In committee
	S. 4227	R	To streamline the oil and gas permitting process and to recognize fee ownership for certain oil and gas drilling or spacing units	In committee
	S. 4228	R	Lease Now Act of 2022. Would require the Secretary of the Interior to immediately resume oil and gas lease sales. The bill also directs Interior Department to finalize a five-year offshore oil and gas leasing plan	In committee
	S. 4229	R	Opportunities for the Nation and States to Harness Onshore Resources for Energy Act or ONSHORE Act. Empowers states to manage the development and production of oil and gas on available Federal land	In committee
	S. 4421	D	Advancing Tribal Parity on Public Land Act. Would protect Native cultural sites located on Federal land, to improve consultation with Indian Tribes, to bring parity to Indian Tribes with regard to Federal public land management laws	In committee
	S. 4423	D	Tribal Cultural Areas Protection Act. Would establish a national Tribal Cultural Areas System to designate public lands with culturally significant sites	In committee
	S. 4571	R	reaffirms that the President of the United States lacks the authority to stop oil and gas leasing on federal public land and would require onshore federal lease sales	In committee
	S. 4596	R	Transparency and Honesty in Energy Regulations Act of 2022. Prohibits the Secretary of Energy, the Administrator of the Environmental Protection Agency, the Secretary of the Interior, the Secretary of Transportation, the Chair of the Council on Environmental Quality, and the Federal Energy Regulatory Commission from considering, in taking any action, the social cost of carbon, the social cost of methane, the social cost of nitrous oxide, or the social cost of any other greenhouse gas, unless compliant with Office of Management and Budget guidance	In committee
	S. 4641	D	Public Engagement Opportunity on Public Land Exploration Act of 2020 provides greater landowner protections in the conduct of lease sales	In committee
	S. 4642	D	Oil and Gas Bonding Reform and Orphaned Well Remediation Act amends the Mineral Leasing Act to ensure sufficient bonding and complete and timely reclamation of land and water disturbed by Federal and Indian oil and gas production	In committee
	S. 4733	D	Use it or Lose it Act. Amends the Mineral Leasing Act to provide for certain reforms to the process relating to applications for permits to drill and the eligibility requirements for prospective bidders in lease sales	In committee
	S. 4768	D	Taxing Big Oil Profiteers Act. Would amend the Internal Revenue Code to tax excess profits of large oil and gas companies, to impose a tax on the repurchase of stock by large oil and gas companies, [and] to end the use of the	In committee

State/ Session end	Bill No.	Sponsor (D/R)	Description	Status
			[certain methods] of accounting by large oil and gas trades or businesses	
✓	S.J. Res. 14/ H.J. Res. 34	D	Rescinds Trump-era methane emissions regulations under the Congressional Review Act	Enacted; Eff immediately (S.J. Res. 14) Passed cmte (H.J. Res. 34);
	S.J. Res. 55	R	Joint resolution of disapproval under the Congressional Review Act to nullify the Biden administration's National Environmental Policy Act (NEPA) Implementing Regulations Revisions effective as of May 20, 2022	In committee
	S. Res. 553	R	Resolution expressing that it is the sense of the Senate that President Joseph R. Biden, Jr., has implemented policies impeding domestic energy production and gas prices have steadily increased throughout his presidency	In committee
