

CERTIFICATION APPLICANTS

The landmen listed below have applied for Certified Professional Landman (CPL), Registered Professional Landman (RPL) or Registered Landman (RL) status and are published here simply to give AAPL members an opportunity to present objections to certification of the applicant(s). Publication does not represent acceptance or success in passing the CPL, RPL or RL examination. If no objections are presented within 45 days, it will be considered as approval by the membership. Objections must be written and signed and will be treated as confidential. For additional information on procedures, see Voluntary Certification Program in the AAPL Membership Directory.
