### **2019 Committee Member Award: Armando Trevino**

This year Armando Trevino bravely took over the position of Co-chairman for the DAPL Golf Committee and did not disappoint. Not only did he have big shoes to fill from the previous co-chairs, but he also had the immense task of planning and running one of DAPL's most popular events of the year- the annual golf tournament. After serving for a few years on the committee, Armando decided to step up and lead the committee to execute a very successful event. In 2019, the Golf Committee ended up raising \$7,000 dollars for DAPL, and another \$3,600 dollars for the DAPL Scholarship fund. There was a total of 216 golfers at this tournament and I'm sure all 216 would tell you that the event was a great success. Mr. Trevino graduated from Texas Tech University and has been a Landman in the Oil and Gas Industry for over a decade.
