### NETWORKING

We host more than 60 annual events that enable you to connect and foster business relationships with your peers. Our Annual Meeting and NAPE are among the industry's most renowned educational and networking events.

### RESOURCES

Compensation surveys. AAPLConnect member forum. Federal and state bill tracking. Group insurance. Independent contractor toolkits. Industry forms. Publications. AAPL serves as your "one-stop shop" for a wide array of online resources and landman tools, and we're committed to keeping members informed, competitive and up to date.

### PUBLICATIONS

Our award-winning publications educate, inform and connect land professionals and reinforce our role as an industry authority. The *Landman* magazine and *Membership Directory* are ranked as the top two services for our members.

### CAREER CENTER

Members have access to career-related information, such as coaching opportunities, interviewing tips, résumé writing, helpful articles and more. Additional benefits include applying for jobs, free job postings, creating job alerts and posting your résumé.

### PROFESSIONAL DEVELOPMENT

Vocational training is one of our top priorities. We provide instruction through a variety of seminars and institutes. Education seminars range from introductory to advanced land courses — now including renewables — and cover a multitude of topics.

### LEGISLATIVE ADVOCACY

As your advocate, we aggressively address the legislative, regulatory and judicial issues that shape public policy at the federal, state and local level and share a summary of tracked legislation with members. Our goal is to let your voice be heard in decisions that directly affect you.

### CERTIFICATION

Our certification program is recognized throughout the industry as a benchmark for competency, proficiency and professionalism. In addition to enhancing professional credibility, certification can also increase earning potential.
