Ms. Woodard,

The Mississippi Association of Petroleum Landmen (MAPL) would like to nominate Wesley Day, CPL for the Best AAPL Director's Communication Award. Wesley has been to every MAPL board meeting and has delivered detailed summaries from the Quarterly Meetings. He has also become involved in attempting to get Mississippi subject matter presented at the Gulf Coast Land Institute. He is a huge asset to MAPL and the AAPL!

Respectfully Submitted,

Keri L. Falk, CPL, President
