State actions taken to ensure membership retention/recruitment in your association during the 2023 calendar year (limited to space provided below):

DAPL retains its membership by both hosting a variety of timely, interesting, and valuable events for our membership.

We also strive to provide great networking opportunities on a regular basis which creates solid and sustainable business relationships.

DAPL recruits new members through word of mouth in addition to a strong social media and marketing presence that actively publicizes our events which circulate around the Landman community.
