LANDMAN'S ASSOCIATION
— OF NORTH DAKOTA —

The AAPL President Brooks Yates will be our guest speaker for our 2nd Quarter LAND Meeting to be held at the Lucy 13 Pub, Bismarck, ND at 5:30 pm on Thursday, May 30, 2024.

MIKE DEWALD
President

Spring is here!

That means it's time for our 2nd quarter meeting. In the past this meeting was associated with an educational seminar. We didn't forget! Unfortunately, we were unable to get to the seminar lined up. We plan to have an educational seminar this fall. If you have any topics in mind or would like to present, please get a hold of me.

Our 1st quarter meeting was a great success. It may have been one of our best turnouts for a 1st quarter meeting ever. This is all credited to Preston Page's presentation. Thank you, Preston and Dakota Energy, LLC!

AAPL President Brooks Yates has rescheduled his visit from our fall meeting. We are happy to be hosting Mr. Yates at our 2nd quarter meeting. It is scheduled for Thursday, May 30th

at the Lucky 13 Pub. Mr. Yates is out of Dallas, TX and he is the Senior Vice President of A&D/Land at Peregrine Petroleum, Ltd. He will be giving our group an update on everything AAPL. I look forward to his visit.

Please join us for some good food and a cold beer. I look forward to seeing everyone on Thursday, May 30th.

Feel free to get a hold of me with any questions, concerns, or with ideas for future meetings.

Regards!

Mike Dewald

IAN VESTAL
AAPL Director

AAPL held its quarterly board meeting March 9-10, 2024 at The Mayo Hotel in Tulsa, OK. The Tulsa Association of Petroleum Landmen did a great job in ensuring everyone attending was welcomed and taken care of.

AAPL's main business goals for the weekend was once again budget and bylaws. AAPL President, Mr. Brooks Yates, announced a balanced budget. The balanced budget was accomplished with a combined effort of the Executive Committee, Directors, and staff all working to reduce spending. Also discussed was thinking "outside the box" on ways to create additional revenue through NAPE, reducing staff, membership renewals, and in other areas. The final version of the proposed bylaws revisions and policy manual amendments was presented then approved by the board. The main purpose of the revisions is to bring them current and address changes in the industry.

The AAPL Executive Committee presented the officer nominees for 2024-2025:

President - Nancy C. McCaskell, CPL

1st Vice President - Kyle B. Reynolds, CPL

2nd Vice President - Mark H. Caponegro, CPL

3rd Vice President - William E. "Bill" Hackett, CPL

Treasurer - Amy L. Gwyn, CPL

Secretary - Christine J. Touchstone, CPL

In my short time as North Dakota AAPL Director, I have had the opportunity to visit with each of the nominees and I am very confident that they have the ability to lead AAPL to continued success.

PHILANTHROPY REPORT

Golf season and good weather is upon us, which means the Philanthropy committee is getting ready for our annual LAND golf tournament! The tournament this year will be on July 25th, 2024, and is an opportunity for our committee to raise funds in support of our commitment to create a legacy of philanthropic giving. This year, all proceeds from buying mulligan's, as well as raising funds at the silent/live auction, will help sponsor the 4-H Energy Camps. The North Dakota 4-H program inspires North Dakota youth to reach their full potential, and aids in this mission by creating opportunities to learn skills and develop leadership skills outside of the classroom in 4-H's programs. The program is for youth ages 5-18 and spans many areas of interest. Thank you to all of our LAND members who have supported the Philanthropy group's fundraising efforts! Look out for more opportunities in the near future to make an impact in our communities!
