

Christine Touchstone, CPL is the Land Manager for LeFrak Energy, the oil & gas division of the LeFrak Organization, a privately held real estate and investment company based in New York City. She joined LeFrak in February 2011 and manages LeFrak's many oil and gas assets currently in Alabama, Arkansas, Kentucky, Louisiana, New Mexico, Oklahoma, Texas, Utah, and Wyoming.

Ms. Touchstone is serving her second year of a two-year term as Region IV AAPL Director, recently being recognized by the AAPL for Best Director Communication (2022-2023). She also serves as Co-Chair of HAPL's 67th Annual Executive Night; is a participant in HAPL's Mentor Program; and has served for two years as Co-Chair for the Gala Committee.

An active member of the American Association of Professional Landmen, Ms. Touchstone is serving as Education Tsarina for the 2023-2024 term; has served as Chairman of AAPL's Certification Education Development Committee (2022-2023) and was recently recognized by AAPL with a special award for her efforts in education; served as Chairman of the Certification Education Committee (2021 – 2022) and as its Chair Emeritus (2022 – 2023); served on the Annual Meeting Education Committee (2019 – 2021); and is a Mentor for the AAPL Mentor Program. She is also beginning a three-year term on AAPL's NAPE Operators Committee, and was Co-Chair of AAPL's inaugural Women in Energy Institute-Championing the Industry.

Ms. Touchstone has also served as a past Vice President, Director, and Clay Shoot Co-Chair and Education Event Chair for the West Houston Association of Professional Landmen of which she remains a member. Ms. Touchstone is also a member of The North Houston Association of Professional Landmen and The Alaska Association of Professional Landmen.

In addition to her involvement with HAPL and AAPL, Ms. Touchstone is a member of the Houston Livestock Show and Rodeo's Wine Garden Committee and is a Past President of the Junior League of The Woodlands.

A native of Houston, Texas, Ms. Touchstone graduated from Texas A&M University in 1987 with a Bachelor of Science in Biomedical Science, received her certification in Petroleum Land Management from the University of Texas in 2012, and completed AAPL's Renewable Energy Certificate Program in 2023.
