

Corey Phelps, Ph.D.

Corey Phelps is an accomplished author, keynote speaker, advisor, corporate trainer and an award-winning business school professor. He is the Dean and Fred E. Brown Chair of Business at the Michael F. Price College of Business at the University of Oklahoma. Formerly a professor at McGill University, HEC Paris and the University of Washington, he holds a PhD from the Stern School of Business at New York University.

Corey's recent book - *Cracked It! How to solve big problems and sell solutions like top strategy consultants* - was published by Palgrave Macmillan. His research explores how organizations innovate, grow and adapt to changing competitive conditions. He has published over 20 papers in leading academic outlets and received several prestigious research awards.

Corey has delivered keynote presentations, executive training programs and consulting engagements for over 75 organizations in Europe, North America, Asia-Pacific and the Middle East. His recent keynote speaking clients include Bank of America, E&Y Canada, L2/Gartner, Microsoft, Société Générale, and Wolters Kluwer. He has extensive teaching experience in MBA, EMBA, PhD and executive programs. In recognition of his teaching excellence, he received the Pierre Vernimmen BNP Paribas Award at HEC Paris and undergraduate and MBA professor of the year awards at the University of Washington.
