## A Look Back - 2021 Annual Golf Tournament

Sean Foster

On Friday, May 7<sup>th</sup>, 2021, we hosted our annual FWAPL Golf Tournament and what a great time we had! It was a record breaking event, both in attendance and dollars raised. Due to your generous giving, we were able to raise over \$40,000.00 for our tournament beneficiaries, the Hope Center for Autism and the Center for Transforming Lives. Let that sink in, we broke records on solid prices, not \$100 oil or \$10 gas. Once again the FWAPL membership shows up big when it's needed most. Thank you to all of our sponsors (we had a record number of those as well), our participants and to the tournament committee for putting on such a great event. Here's to a bigger and better tournament in 2022!

## Summer with FWAPL

Summer started with the Annual Membership Kickoff dinner on May 27th at Joe T Garcia's announcing the 2021-2022 FWAPL Officers.

- Membership exceeds our 2020 count as we have **255** active paid members as of the date of this letter!
- If you have not yet renewed your membership for this year, you can do so on our website at [www.fwapl.org](http://www.fwapl.org). You don't want to miss out on our membership events!
- Look out for upcoming bios of the new officers on [LinkedIn](#).

On June 23rd, FWAPL and DAPL co-hosted the 2021 AAPL Annual Meeting Welcome Reception at the Clover Club in Arlington. It was great to reconnect in person.

The July 22nd Luncheon at the Fort Worth Club featured guest speaker Benjamin Holliday of the [Holiday Energy Law Group](#) who presented on Natural Gas Flaring - An Overview of the Regulator Approaches. We also were able to deliver the following generous checks:

- \$15,000 in total scholarships to 10 deserving FWAPL 2021-2022 Scholarship Recipients
- \$17,000 to each of our Golf Tournament Charities - Center for Transforming Lives and Hope Center for Autism
