

Kyle Reynolds, JD, CPL

kyle@rbgpermian.com | (501)231-3543

Executive Summary

I am a hardworking, servant-leader who is driven by curiosity, gaining knowledge, and helping people. I love to solve problems and see others succeed. I listen first and try to build a culture of creativity, empathy, and can-do attitudes around me. I am not afraid of being told “No.”

Education

Juris Doctor 2011

University of Arkansas School of Law

Bachelor of Arts in Writing with Honors 2008

UNIVERSITY OF Central Arkansas

Professional Experience

RBG Permian, LLC

MANAGING MEMBER

2018 – PRESENT

RBG Permian is a well-funded, privately held acquisition and management company located in Midland, Texas. It targets strategic surface, leasehold, mineral, and royalty positions across Texas, New Mexico, and Oklahoma.

- Transactions - Lead the acquisition and divestiture of mineral, leasehold, and surface positions.
- Training - Working with staff and contractors to ensure the highest standard of excellence is achieved.
- Relationship Building - Working to build trust and loyalty with all stakeholders.

Benjamin Lee Bison, LLC

CO-FOUNDER

2016 – PRESENT

Benjamin Lee Bison is a family owned and operated sustainable ranch that specializes in the raising of American Bison while focusing on 3 core values: conservation, transparency and quality. These values ensure that our animals and meat are 100% natural, pasture raised, hormone-free and humanely raised. Strategically located in Sayre, Oklahoma, where Historic Route 66 cuts through the heart of the Great Plains, our ranch provides delicious, naturally flavorful, heritage breed meat that is a favorite among chefs, foodies, and home cooks.

- Problem Solving - Navigating start-up opportunities in a direct-to-consumer meat business. Researching regulatory issues and applying for state and federal funding.
- Brand Growing - Learning and applying skills associated with search engine optimization, customer relationship management, social media engagement, and content creation.
- Recipe Development - Turning a passion for cooking into opportunities for additional brand loyalist engagement

Greenway Capital, LLC

CO-FOUNDER

2022 – PRESENT

Greenway Capital provides funding to boutique real estate developments that help curate a sense of community in the fast-growing area of Northwest Arkansas. Our investment thesis is based on developing housing with direct access to the Razorback Regional Greenway, which is a 37.5 mile, primarily off-road, shared-use bicycle trail that extends from south Fayetteville, Arkansas to the Missouri stateline.

- Investment Analysis - Review opportunities for direct land purchase and/or potential returns on existing projects
- Fundraising - securing capital from outside sources to co-invest in larger projects
- Relationship Management - foster a community with a free flow of ideas and information

Energen Resources Corporation

LAND MANAGER

2014 – 2018

Energen was a premiere oil and gas exploration company and public utility with over 150 years in operation. It transitioned to a pure-play Permian Basin exploration company and, in 2018, it merged with Diamondback Energy.

- Management - Supervised the land department through an annual \$1B capital budget program and oversaw the companies non-core and mineral assets
- Due Diligence - Conducted due diligence and asset integration on multiple acquisitions and divestitures.
- Training - Led company's on-campus recruiting and internship program, as well as, developed LEAD (Land Education And Development) program to train new hires.
- Business Development - Served as lead for business development hosting and attending industry events and generating leads for acquisitions and divestitures for the company
- Transactions - Led a combination of acquisitions, divestitures, and mergers totalling over \$11B

Chesapeake Energy Corporation

LANDMAN

2011 – 2014

Chesapeake is an oil and gas company focused on discovering and developing leading positions in top United States oil and gas plays.

- Operations - Managed drilling program and operated assets in the Permian Basin and Eagle Ford
- Exploration - Led covert team researching and acquiring assets in new venture areas including Michigan, Kentucky, and Utah
- Transactions - Managed and negotiated divestitures and farmouts totaling over \$4B
- Transitions - Led cross-discipline steering committee focused on restructuring and transformation following a corporate change in control
