NOVEMBER 2024 NEWSLETTER

LETTER FROM THE PRESIDENT

Dear TAPL Members,

I trust that you and your families had a restful Thanksgiving holiday. It is remarkable to think that 2024 is drawing to a close, and we are about to welcome 2025. This year has been a productive one for TAPL, marked by numerous successful events, and we are maintaining strong momentum as we approach the holiday season.

Thank you to everyone who participated in our November virtual educational luncheon. Ron Barnes delivered an insightful presentation on *Mediating and Arbitrating Oil and Gas Disputes*, which was very informative and well-received. I would like to extend my gratitude to Ron Barnes and our Education Director, Brett Gwartney, for offering this educational opportunity to our members.

Looking ahead, we are excited for the upcoming Oil Patch Christmas Party on December 5th at the historic Cain's Ballroom. This event is a collaborative effort with ADAM-Tulsa and the Tulsa Geological Society, featuring heavy hors d'oeuvres, an open bar, and music by Adam Aguilar. I encourage all members to attend this festive occasion. Additionally, we are proud to support the U.S. Marine Corps Reserve Toys for Tots Program, which distributes new, unwrapped toys to children in need throughout our region. I urge you to bring a toy or a financial contribution to the party. If you are unable to join us, please consider making an online donation at www.toysfortots.org.

As we approach the end of the year, I want to take a moment to express my heartfelt appreciation for each of our TAPL members. We are fortunate to be part of such a dynamic industry in this wonderful city and great state. Your dedication and contributions are what make TAPL a thriving organization, setting a benchmark for others to follow.

I look forward to celebrating with you at the Christmas party and to continuing our collective success in the year ahead.

Warm regards,

Elliot W. Dowling, CPL
TAPL President

75TH ANNIVERSARY RECAP

TAPL Membership,

Thank you for attending and supporting our TAPL 75th Anniversary Celebration at the Oaks Country Club on Friday October 25th! Many thanks to both the Comprehensive and Event sponsors: Platinum Comp - Citizen Energy, Gold Select Comp - Barnes Law, Gold Comp- Charney Brown, Anchor Land Group, and Vital Energy, Silver Comp - Camino Resources, and Bronze Comp - Quail Run Land Company and Tallgrass Resources, Table Sponsors - Charney Brown and Vital Energy, and our Casino table sponsors - Anaback Law and Paladin Land Group.

The Oaks has hosted plenty of TAPL events and they never disappoint. Thank you to Mrs. Ava Hawkins and her staff for their hard work and assistance in making our celebration memorable. Also, we would like to show our appreciation for the Weekend AllStars band who put on a great show throughout the night. The casino night seemed to be a big hit with the attendees. The tables were very generous and some players stacked the chips high! The prizes and our dinner were also well received by attendees.

The TAPL board worked hard to put this together in the past year, so a special thank you to all who contributed from the board in the form of planning and volunteering. If you have photos of the event, please email them to jeremiah@compass.land so we can upload them to our website gallery.

Thanks again to our members, sponsors, and attendees for making this a great 75 years of TAPL fun. Here's to 75+ more!

CAREER ASSISTANCE PROGRAM

Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the “Land” realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company’s in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Case Rycroft at caser@kfoc.net . Every inquiry will be handled with the utmost discretion as privacy is of great concern.

CAMPUS TULSA

Take your current internship opportunities to the next level with Campus Tulsa.

Campus Tulsa is the ultimate internship support team for Tulsa-area employers.

Connect with Campus Tulsa to:

- 01** Recruit more diverse applicants for open internship roles: Campus Tulsa intentionally partners with diverse student groups, institutions, and associations to create an inclusive internship search experience — especially among first generation and students of color.
- 02** Create meaningful experiences for interns outside of work hours: Campus Tulsa programs structured professional development workshops, networking and mentorship events, and intern-only activities and outings designed to create fuller, more meaningful internship experiences for students.
- 03** Solve for logistical hurdles like intern housing: Campus Tulsa offers support with short-term housing resources and other logistics — making for a more convenient, streamlined, and appealing opportunity for potential interns. This makes recruiting quality interns from a wider range of universities in the region and across the nation easier.
- 04** Boost your internship opportunity to a wider audience: Campus Tulsa uses strategic targeting and digital marketing channels to show your internship listings to a broader network of qualified college students.

Our mission is to create more successful internships in Tulsa than ever before — for both students and employers.

"We believe employees are our most valuable asset, and if you want to attract the best talent, you have to start early. We also are passionate about helping educate tomorrow's future leaders."

Ginger Kollmann

EXECUTIVE DIRECTOR, JP MORGAN PRIVATE BANK

"Our interns are our largest candidate pool for hiring into the professional development program. It is really important to us that we provide meaningful work for our interns, so we're mindful to align our intern headcount with value-add opportunities across the organization."
